5/10/12

to Kevin, Etienne, Jerome, Corne, me, Rosemary

Good morning gentlemen

Just a note – at the recent steering committee meeting the decision was taken to change the name of the project from the Sedibeng Birding Route to Vaal Birding Route. Kevin – pls could you amend all of the banners and logos accordingly. Corne – would it be easier for to go into the Dropbox and amend all of the documents or have you uploaded the text onto the website already? Etienne – for future work and write ups please could you utilise the Vaal Birding Route. Nico Ntema will be coming on board as a representative from the Sedibeng area (specifically Sharpeville area) – welcome to Nicho. Please could you include Nicho in correspondence regarding the route.

Thank you

Martin
