Attention: Committee Members

### INTERIM REGIONAL TOURISM ASSOCIATION

I would like to remind Committee members of the commitment we have made to members of the Sedibeng Interim Regional Tourism Association.

I trust that information we forward to you, that could benefit your respective sector members, is being communicated and distributed (please find the attached membership database).

I would also like to request Committee members to adhere to deadlines on actions that are agreed upon in Committee meetings.

The timeframe of the work plan that was distributed to you must be kept to ensure that we achieve the objectives of this Committee.

I trust you will find this in order.

Kind regards,

Khulu Mbongo  
Chairperson: Sedibeng Interim Regional Tourism Association
